## Ready, steady go.....

I hope that the month of February has proven to be a successful one for you, both personally and professionally. It's always an exciting time of the year for the LMF team as we pull together all of the arrangements for our biggest and boldest community gathering of the year, the Market People Awards, and this year we've taken the much loved Market gathering to new heights.

## Our celebration of London Market talent is announced

We are super excited to announce that after two months of planning, the Market People Awards will this year take place on 17th June at the Market's most significant civic venue, the Guildhall. Little did we know we we launched the Awards some years back that we'd one day be hosting the Awards at the Guildhall, surrounded by 400 of the best professionals in the Market. More on this on Page
